Operational efficiency of FCI

243. SHRI INDRADEEP SINHA:

SHRI SURAJ PRASAD:

Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state:

(a) whether it is a fact that the overhead expenses of Food Corporation of India are very high due to the operational inefficiency thereby making the public distribution system highly expensive;

(b) if so, what are the details of the overhead expenses added to the procurement prices of wheat and rice, the distribution price and the element of subsidy per kg. of wheat and rice; and

(c) what remedial steps Government propose to take to improve the operational efficiency of FCI and to reduce the overhead expenses?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING AND FOOD AND CIVIL SUPPLIES (SHRI AJIT PANJA): (a) No, Sir. The administrative overheads of FCI are only about four paise per kg. for procurement and distribution of wheat|rice.

(b) It is not so, in view of answer to (a) above. However, a statement js annexed for details information *(see below).*

(c) Does not arise in view of answer to (a) and (b) above.
